

Think of us as your 'hired pens'

Your thoughts... our words. If you have difficulty putting on paper what goes through your head, then call us and we can make that process painless. That's our talent and it's our passion. *We provide the 'write' stuff.*

**Do you want your press releases, speeches, print materials
or social media posts to make a greater impression?**

Are you fretting over who will prepare your next meeting presentation or company brief?

Have you got correspondence, e-mails and/or webcopy to write but haven't the time?

Call the wordsmiths at CG&A COMMUNICATIONS. We offer a full range of writing services. We can help you with your public relations initiatives – from meeting scripts, speeches and presentations, to traditional printed materials, to webcopy and social media content.

Our writing services will help you with your:

- press releases and social media materials
- issue briefs and reports
- speeches and talking points
- presentations
- internal memos / HR materials
- meeting scripts
- PR copy
- manuals, reports
- ghostwriting projects
- newsletters
- brochures, print products
- promotional materials
- Internet materials and web content
- annual reports
- magazine and placement articles
- advertorials
- copyediting and/or rewrites
- research and documentation

...and any freelance assignment

We will provide the engaging, compelling text that will make the impact you require! Our network includes consultants with specific areas of expertise, from business and industry writers to media and PR practitioners.
